EASY ORDERING
SEEPEX SHOP
THE ONLINE SHOP FOR SPARE PARTS.

Whether it’s a rotor, a stator, or a coupling rod. Buying original SEEPEX parts has never been easier or more convenient. In our SEEPEX Shop you’ll find an extensive selection of components for your progressive cavity pump and additional important information such as part lists, sectional drawings, prices and delivery times.

QUICK AND RELIABLE ORDERING PROCESS
- Order based on a specific parts list
- No tedious correspondence — see prices instantly
- Handover to purchasing within the Shop

COST ADVANTAGES
- Reduce your internal process costs

CLEAR INFORMATION
- Prices
- Availability / delivery time
- Order history

EASY ORDERING SYSTEM
- Combine spare parts for several pumps in one shopping cart
- Select preset spare part packages or kits (for example, a joint kit)
- Use a previous order or a saved basket as a template for a new order

AVAILABILITY:
24 HOURS A DAY, 365 DAYS A YEAR.
